NORTH AMERICAN MARTYRS SCHOOL
2012-2013 Financial Aid Application

The following application will be used to evaluate financial eligibility for aid available from *The Bishop's Education Fund*, and/or the *Scholastic Opportunity Scholarships* for both preschool and elementary students.

To ensure timely consideration, please submit the completed application for Father Joe Luisi's signature and fees by the deadline of **March 1, 2012** to our school principal, Mrs. Diane M. Fleet. Please include all necessary paperwork in a 9 x 12 **unsealed** envelope. This envelope will be returned to you so that you may make copies of the documents and then put the envelope in the mail to be postmarked by **March 15, 2012.**

The attached copy is a print version that can be completed by hand. However, the easier method is by logging onto our website at **www.namschool.org** and accessing the appropriate PDF application.

Please Note:

- This PDF application is ***INTERACTIVE***. This means a family may save the Student Aid Form PDF directly to their computer and then fill it out on their computer screen by placing the cursor at the appropriate fields, either by tabbing or using a mouse to click on a field, and typing the information. The completed document can then be printed.
- If you are applying for aid for more than one child, you should only complete one application; indicate each child's name and school in Section C.
- Information on current year tuition rates have been included in this packet, but since the rates have not yet been determined for the 2012-2013 school year, please leave the "Tuition Charged" section in Part C blank.
- Only students who are registered to attend North American Martyrs School in 2012-2013 will be notified of financial aid awards. We anticipate notifying families in June of initial financial aid awards.
- Additional financial aid opportunities may be available from the *Bridge Foundation and/or* the *N.A.M. Angel Fund*. More details on these two programs will be published as details become available in the spring.
- **A family MUST complete this 2012-2013 PSAS Form in order to be eligible for ANY financial assistance through the Diocese of Pittsburgh or through local initiatives through North American Martyrs Church.**
