SUBJECT: Private lessons

September 21, 2010

Dear Parents and Guardians,

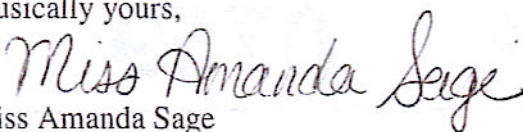

I hope you and your students have started off to a great year at North American Martyrs School! I can say that I have enjoyed having each of your children for weekly music classes, and I look forward to a successful year ahead.

I am writing to let you know that I am currently offering private music lessons after school! All students in grades K-6 are eligible to take piano lessons, and ALL band students in grades 4-6 are welcome to take lessons with me as well. (Mr. B, the band teacher, does give private lessons for band students as well.) With me, you have your choice of a 30-minute, 45-minute, or 60-minute weekly lesson depending on the student's age and level of ability. We can discuss the best choice for your child before the first lesson. If you are interested, please fill out the bottom of this letter, and send it back to school in a sealed envelope marked "Miss Sage". I will then send home to you a copy of my lesson policies and other pertinent lesson information.

In my studio, students will have the opportunity to play in organized recitals. I am planning on about 2-3 a year, venues TBA. At that time, they can share with you, and other students, their progress on their instrument, not to mention it is just plain FUN to play music! I am also working on creating a website just for my students! ☺ It will be a place where they can find resources about their instrument, see their lesson time(s), and more. I have been teaching private lessons to students since 2003, and I am confident that your student will have fun, while learning a wonderful skill!

If you have any questions, please feel free to email me at Sage@namschool.org!

Musically yours,

Miss Amanda Sage
